Notes from the Board Meeting

The current Bylaws of our club are 25 pages long. They apparently have two different sets inside the document and the sets conflict with each other in areas. The Board has taken the current bylaws and the Rotary International recommended bylaws (6 pages) and compiled a 5 page document that utilizes sections of all three documents to reflect what we do as a club. If you would like a copy of any of these three, let President Sandra know and she will provide you a copy.

The new document is available today and will be voted on by the board in two weeks. If approved, the new proposed Bylaws will come to the club for a vote over the following two weeks before it becomes the new Bylaws. Contact any Board Member for concerns or changes that you would like to recommend.

Johnny McMoy was named **Administrator of the Academic Year** 2010-2011 for Middle Georgia College. An award chosen by his peers.

Baseball Questions and Answers

Teams sometime make trades which involve a “**player to be named later.**” What determines who this player is?

Teams usually decide on list of two to four players as potential PTBNL, and the team getting this player has a period of time, usually six months or less, to decide which player it wants. If due to any reason, the players on the list are not satisfactory, a sum of money, which is also predetermined, is paid instead. The player to be named later cannot be on the active roster.

Rotary Red Friday's

To help show support for our Dodge County High School Team, all Rotarians are asked to wear Red on Fridays during football season. Let's GO Team !!
